

Giani Harpreet Singh ji,  
Wahe Guru Ji Khalsa, Wahe Guru Ji Ki Fateh.

Giani ji, as patron of SGPC, you should ask SGPC to make Amritsar Published SGGS Sarup, available to every Sikh living any where in the World.

SGPC has resources which are being wasted on Langar at political rallies.

SGPC can enter into a long range contract with carriers like DHL to do this service. The Sarup can be packed in cardboard boxes for shipment.

A reasonable amount can be prescribed as Bheta.

That will be a real service to Sikhi.

SGPC was created for efficient and effective management of Gurdwaras and spread of Sikhi. Unfortunately it has lost its bearing and forgotten its primary role and instead has lost itself in politics.

During its election liquor is distributed, Bhuki is distributed, money is distributed and muscle power is used to get elected. What religious thinking and actions can be expected from such a body, exceptions apart. They are all budding MLA and MP's who use SGPC as a stepping stone.

Giani ji, should give a Saropa to S. Thaminder Singh . He has at least filled the gap for Sikhs living in North America by providing them with SGGS Sarup.

Giani ji, Kithon Liaye Jathedar Akali Phula Singh Ji who had the courage to punish Maharaja Ranjit Singh for his wrong actions.

Try and follow him and act independently in the interest of Sikhi and spread of Sikhi Sidhants.

I will be happy to answer any of your questions.

Sincerely yours,

Col Avtar Singh (retd)
